

# DROP-OFF FORM

## FOR HDPE PLASTIC

Complete the form below to arrange the drop-off of clean HDPE

**In partnership with REPLAS, based on location, we accept clean HDPE products to be dropped off** so we can continuously strive for minimal wastage and continuous product stewardship.

As part of this initiative, we welcome **Auckland customers** to contact us with any enquiries so we can continue to ensure HDPE products avoid going to landfill. We want to help take the HDPE off your hands!
