

MANHOLE SPECIFICATION FORM

This form can be used for wetwells and pump chambers as well as manholes. Don't forget that if using our pipe product, you do not need a manhole for a junction or a bend – these can be fabricated easily by Infrapipe. Simply answer the **green** for an early quote and then once the design is finalised confirming the **orange** questions provides your final drawing and quote. Easy.

CUSTOMER FREIGHT TO
 PHONE NUMBER SCAN & EMAIL TO sales@infrapipe.co.nz FOR A QUOTE

Required for INDICATIVE QUOTE			Length (if not stub to 500)	Benched ?	Type of connection	Height (DTI)	Angle to flow
